The 2021 National Organic Agriculture Business Summit will take place at the Nigerian Export Promotion Council (NEPC) Headquarters, Abuja, Nigeria, between Nov. 2 - 4, 2021. This is the sixth of its kind among Ecological Organic Agriculture (EOA) stakeholders in Nigeria.

### Essence of the National Organic Agriculture Business Summit(NOABS)

- Exploring opportunities of the Ecological Organic Agriculture Initiative in the context of the Decision of the African Heads of States and Governments on organic farming {EX.CL/Dec. 621(XVI)}.
- Improving local and export business activities in the organic sector,
- Exhibiting organic produce and products to stimulate domestic and export trade
- Building the capacity of practitioners and strategic stakeholders in the organic agricultural sector; contributing to food security, income generation, employment systems resilience, among others.

### Programme Outlook
